DI test req higher plan pmt since p/s inc is so much HTS
feas is questionable due to # of ppl in hh f-t; also fs will be stopping w/in next 6 mos
need amen Sch I showing NFS's new p-t job & DSO pmt; also remove NFS car pmt since already pif per 341 testimony
arr POC filed LTS iao \$4000
feas tight but OK unless tee fee incr above 9.4%
need 2016 TR and tax app for all RE on Sch A
finance co's POC shows filed judgment; can't LA in plan as HHG; must use JLA section instead
case is above median so ACP is 60 mos - must file AP to state this
inc test req that at least \$10,500 to GUC; pmts of \$520 x 60 will cover this; OK to file BPA
