

Chapter 13 Trustee Office of Gretchen D. Holland

Instructions for File Upload Portal

The Chapter 13 Trustee's Office provides a secure online portal for uploading documents to our office. The portal allows our office to receive and review case documents in a more efficient manner. The portal also provides a mechanism to allow senders to review pending and received documents.

Menu

After you log into the portal, you will be presented with the menu page. From this page, you can access the document upload page, view pending documents, view received documents, change your password, edit your user profile, and sign out of the portal.

Upload New Document to the Trustee's office

From the menu page, the first option is to upload a new document to the Trustee's Office. When you click this hyperlink, you will be directed to the upload page.

From this page, you can select files to upload and provide important messages and comments for the Trustee's staff.

Files that are uploaded from the portal must meet the following requirements:

1. Must be PDF files.
2. Each PDF file must include only one document. *For example, each of the items below must be uploaded as separate documents:*
 - a. *the Attorney Checklist*
 - b. *the real estate tax appraisal for a single parcel of property*
 - c. *the pay advices from a single job*
 - d. *the tax returns for a single year*
 - e. *the completed business questionnaire*
3. All personally identifiable information must be redacted.
4. All pages must be facing the same direction.
5. Two-sided documents must have both the front and the back scanned separately so that all pages are included.
6. Case number must be correct.
7. Document must be clearly named to identify what it is (e.g., “2017 fed and state tax returns for NFS” or “tax app for 123 Main St” or “Feb. 2018 paystubs from BMW”)

Please double-check all information for accuracy and completeness before uploading.

First, enter the case number associated with the document to be uploaded. Only enter the numeric characters – no dashes or spaces or letters. Then click **Browse** to select the file from your computer that you want to upload. You also have the opportunity to enter an optional comment for the Trustee's staff. Once all items have been completed, click **Submit**.

After you finish uploading files, click the <<**BACK** button at the top of the page to return to the menu page.

View Pending Documents

From the menu page, click the **View Pending Documents** hyperlink to view your uploaded documents. Documents listed on this page have not yet been reviewed by the Trustee’s staff. Until documents have been reviewed, you have the ability to delete them. However, once documents are deleted, the Trustee’s staff will not be able to retrieve or review the deleted submission.

This screen shows you the documents you have uploaded, the date and time you uploaded it, the name and size of the PDF, the case number it will be attached to, and the comment you included with your document. You still have the ability to delete it from this page, and if you delete it, there will be no record of it ever having been submitted.

Change Password

From the menu page, click the **Change Password** hyperlink to change your password.

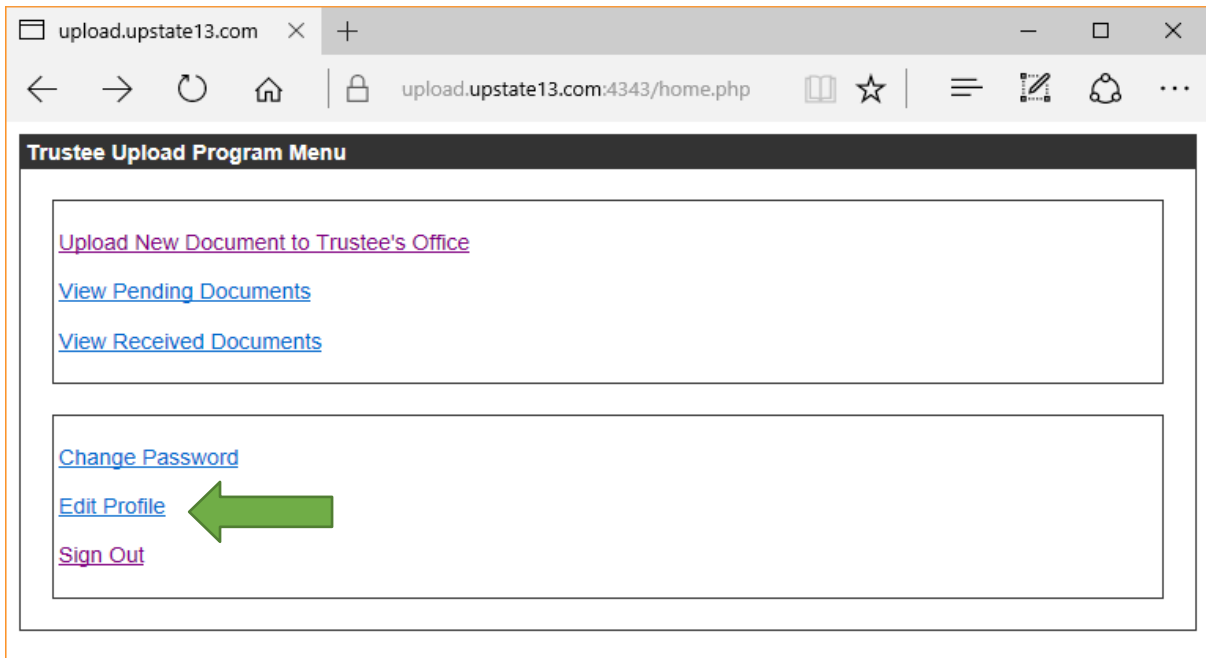

You will be taken to a page to enter a new password. This password must meet the same complexity rules that were required during registration (see p. 3 for instructions).

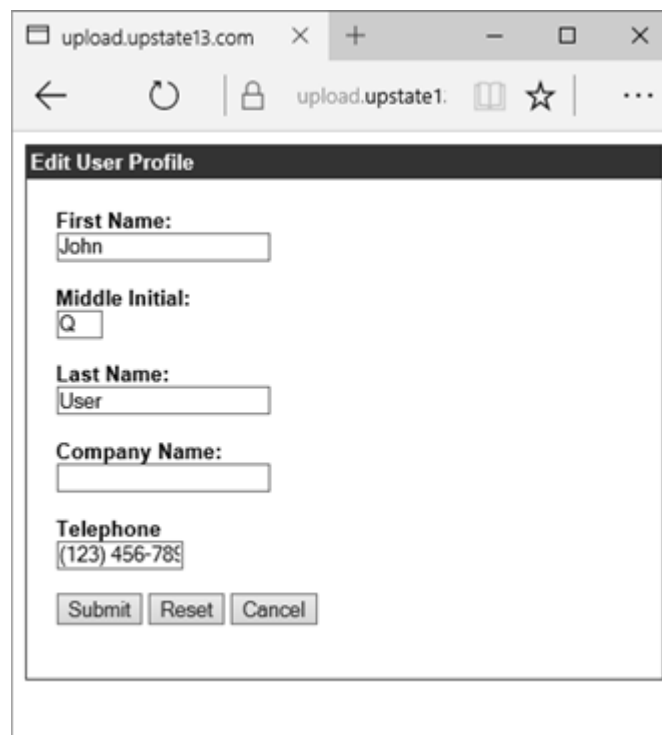

If you click **Submit** the password change will be attempted. If you wish to cancel the change, click **Cancel**. If there are any problems with your new password, you will receive an error message informing you of the issue. Correct this problem and submit the form again.

Edit User Profile

From the menu page, you have the option to edit your user profile by clicking the **Edit Profile** hyperlink.

If you click this hyperlink, you will be taken to the profile editing page. From here, you can change your first name, middle initial, last name, company name, and phone number. Click **Submit** to save the changes or **Cancel** to leave the page.
